👤 Profile

A motivated professional and neurodivergent self-advocate, equipped with a diverse and promising skill-set bringing forth knowledge in front-end development, UX/UI design, and research.

In search of an opportunity where an organization would benefit from my varied skill-set, and where I can prove my enthusiasm for transitioning towards my first design and tech role.

🏆 Achievements

- **Implemented** new changes in logistics and planning that **resulted in successful events** with more than 1,000 attendees.
- **Trained** an international team of 20+ bartenders and servers, **becoming** the company's **most requested service team** for important private events.
- **Solved** several emergency travel issues for agency artists, which **allowed** pre-organized tours **to continue without further concerns**.

Freelance Barkeeper at Borco, Funkhaus Berlin, Bechstein Network, Berlin, Germany

March 2017 — September 2018

- Demonstrated my ability to adapt quickly to different work settings and environments (concerts, private events, nightclub parties, open airs, etc.).
- Utilized knowledge of mixed beverages, specialty liquors, and craft beers to serve customers and provide them with well-prepared drinks and service in a timely fashion.
- **Transferable Skills:** Built and prepared bar stands and kiosks according to brand and distributors' specifications, and trained an international team of 20+ bartenders in how to do the same independently.

Artist Booking Agent at Orchid-AM, Berlin, Germany

September 2016 — August 2018

- Actively scouted for new talent and opportunities to expand the artist roster dynamically.
- Managed promotional initiatives and created management strategies for each artist.
- Assisted in artist visa applications and with logistics for tours worldwide. Including solving last-minute travel emergencies, such as missed connecting flights, issues with ground transport, lost baggage, among others.
